Background:

The Osoyoos Curling Club has been a part of the community since 1954.

Vision:

The Osoyoos Curling Club is a non-profit society whose vision is to provide a welcoming, accessible environment for people of all ages and abilities to build friendships, sportsmanship, and skill development through the sport of curling.

Mandate:

The Osoyoos Curling Club will endeavor to make the sport of curling available to everyone in the Community. We will develop strategies to expand the uses of the Club facility, and provide an enjoyable curling experience through fun, fitness, and friendship.

Leagues: The services that we offer to our adult members are the Men's, Ladies, Mixed, Daytime, Doubles, Two Person Stick, and Junior League. Currently each league participates once a week from October to March except for Daytime and Stick which is twice a week. Learn to Curl clinics will be offered at the beginning of the 2023 Curling season to encourage new members and improve existing skills.

Bonspiels: To meet the needs of our membership and customers, there are three (3) bonspiels a year: Men's, Ladies, and Summer Open. Bonspiels attract hundreds of friends and family members each day as observers or participants at the social events that are part of the bonspiels.

Junior League: Once a week from October to end of February, volunteers teach the art of curling to children from the age of 8 to 14. Unfortunately, due to the pandemic we have not been able to offer our Junior league. 2023 – 2024 season, however, looks very promising.

The Club is affiliated with Curl BC, Curl Canada and BCIMCA. We have hosted various Zone Playdowns and Senior Mixed Championships. Continuing to be a host club is definitely in our plans!!.
